INFORMATION ON HOW TO EFFECT DRAWING CHANGES

1 Correction of Informalities—37 CFR 1.85

Correction of Informalities—37 CFR 1.85

File new drawings if the changes incorporate amendments made after the first submission of drawings and must be written on the drawing in accordance with 37 CFR 1.84(c). Amendments may be submitted at any time during prosecution. Allowable under PTOL 37, it defines the new drawings **MUST** be filed within the **THREE MONTH** period following receipt of the "Notice of Allowability" (PTOL-37). Extensions of time may be obtained from the USPTO. The fee for filing a drawing should be filed as a separate payment with a transmittal letter addressed to the "Chief Examiner".

Timing of Corrections

Timing of Corrections - Prompt acceptable corrections should be submitted to the Office of Architecture within 10 days of the date of the Office of Architecture's letter of objection. If the applicant is unable to submit acceptable corrections within the 10-day period, the applicant should file corrected drawings as soon as possible.

Failure to take effective action within set (or extended) period will result in **ABANDONMENT**.

2. Corrections other than Informalities Noted by the Draftsperson on the PTO-948

Corrections other than Informalities Noted by the Draftsperson on the PTO-946
 Any changes to the drawings other than informalities noted by the Draftsperson MUST be made on a separate sheet of paper that, not only, is a dark ink sketch of the changes to be made, but also, the changes MUST be made in a way that does not obscure the application. No changes will be permitted to be made after the publication of the drawings unless a correction has approved the proposed changes.
